2011 Mustang V6 Manual Transmission

Most of the manual-transmission business in the light-duty market is concentrated in the sports or muscle-car vehicles. Ford Motor Co. has had a highly successful run with the Mustang. For many years Tremec, a world-class transmission manufacturer based in Mexico, supplied the transmission products for the Mustang. We have seen the T5, T45 and TR3650 five-speeds and the TR6060 six-speed.
