American law | Britannica

Legal history or the history of law is the study of how law has evolved and why it changed. Legal history is closely connected to the development of civilisations and is set in the wider context of social history. Among certain jurists and historians of legal process, it has been seen as the recording of the evolution of laws and the technical explanation of how these laws have evolved with the view of better understanding the origins of various legal concepts; some consider it a branch of intel

Legal history - Wikipedia

The earliest recorded quarantines in the colonies were against smallpox, dating back at least to the 1620s. The first formal quarantine law enacted by one of the American colonies followed in 1647, in Massachusetts. By the early 18th century, Massachusetts added a law permitting local authorities to isolate ill people in separate houses.

The Long History of Coercive Health Responses in American Law

The cost of policing rapidly expanded during the 1960s. In 1951, American cities spent \$82 per person on policing. Adjusting for inflation, police spending increased over 300% by 2016, to \$286 per person. In the 1990s, many law enforcement agencies began to adopt community policing strategies, and others adopted problem-oriented policing.
