mystical relationship between a number and one or more coinciding events. It is also the study of the numerical value of the letters in words, names, and ideas. It is often associated with the paranormal, alongside astrology and similar divinatory arts. Despite the long history of numerological ideas, the word "numerology" is not recorded in English before c. 1907.

Numbers chapter 33 contains the historical record of the journey from Egypt to Canaan. The journey now enters the history books and is no longer part of every day life. In Numbers chapter 34 we read what God set as the new boundaries for Israel. In Numbers chapter 35 God describes a system of justice, including the location of jails!
