Construction Claims A-to-Z. Construction Claims are the two strong words that strike fear and loathing in the hearts of employers and construction managers alike. These words have spawned an entire industry dedicated to preventing, asserting and resolving difficulties that occur on a construction project. Claims have grown around the world in the past 50 years and are now a major construction management issue, often overshadowing on-time or on-budget performance.

32 reviews of A to Z Construction Inc "Ami and Rami were super easy to work with and get along with. My project was fairly small in the grand scheme of construction (2 complete rooms built in a loft, an additional wall in the loft, and some odds and ends that I couldn't have done myself) but they still put the time and focus to get the job done right, clean and attractively and in a fairly ...
