Addicted to Unhappiness : Free Yourself from the Moods and ...

The authors are claiming that we can be addicted to unhappiness in the sense that we need it in our lives. The idea is really not that crazy because in built into us is the pursuit of happiness. As a child unfortunately through inappropriate discipline for appropriately aged behaviour and values we associate our feelings of unhappiness with what makes our parents and authority figures happy.

Addicted to unhappiness : free yourself from moods and ...

Addicted to Unhappiness presents a very interesting theory on why a lot of people do say and do stupid things which make getting along with others more difficult. How accurate this theory really is is difficult to say but it does present explanations which have a ring of validity and leave one thinking that just maybe it could explain some behaviors one becomes a witness to.
