Installation Instructions - Airaid

AIRAID performance intake systems are engineered to provide a smooth, unimpeded path for airflow to your engine—keeping the air cooler and more oxygen-dense. Injecting more oxygen-rich air into the cylinders allows the engine to burn fuel more efficiently during combustion, offering you an increase in performance.

Cold Air & Air Box Intake Systems | Airaid

Designed to increase vehicle performance by reducing airflow restriction, every AIRAID air filter is handmade using top-quality materials. AIRAID reusable filters are available in either an oiled cotton/synthetic filter media blend (SYNTHAFLOW®) for increased engine performance, or in a dry synthetic filter media (SYNTHAMAX®) for convenient oil-free performance.
