The car radio code is a security system that protects your bmw radio from thieves, but if you remove the radio from your vehicle or disconnect the battery, you will need to enter your bmw unlock code so that the head unit can operate again. most times the radio code is printed on a small card and included in your owner's manual.

Get your free Bmw radio code online 2020

BMW uses the radio lock feature to prevent unauthorized users of your audio system and will not allow your radio to operate without the proper unlock code. BMW began using the antitheft feature around 1990 and is still in use in most BMW vehicles today!

BMW radio codes

If a BMW radio is disabled, it is important to take the correct steps to fix it or the radio will not function properly. If a vehicle is stolen or if the battery dies and/or is replaced, the radio on the vehicle will reset and become disabled. This safety function is in place to deter potential criminals from stealing ...
