North Korean dictator Kim Jong Un was once filmed chatting to two identically dressed lookalikes — escalating wild conspiracies that a body double was recently used to claim he is alive and well....

# Kim Jong Un was once filmed talking to possible body doubles

"Body Double" is an exhilarating exercise in pure filmmaking, a thriller in the Hitchcock tradition in which there's no particular point except that the hero is flawed, weak, and in terrible danger -- and we identify with him completely.

# Body Double movie review & film summary (1984) | Roger Ebert

In Beyda's claustrophobic first novel, the body double for a reclusive star is trapped in a Los Angeles home, awaiting her public debut. Rosanna Feld, tired of the spotlight, has sent headhunter Max to hire a look-alike to be photographed and interviewed in her place until she recovers. The body double will be paid well for her services.
