Boeing 767-300ER (76A) Layout 1 - SeatGuru

Boeing has delivered more than 80 of the mid-sized freighters to FedEx. Boeing continues to see strong market demand for 767 airplanes, which offer outstanding operational efficiency and payload configuration. Cargo operators around the world keep the global 767 Freighter fleet busy, flying the model an average of 10 hours a day.

Boeing: 767

The aircraft would have combined the Boeing 767-300 with a Boeing 757 cross section mounted over the rear fuselage. The Boeing 767-X would have also featured extended wings and a wider cabin. The 767-X did not get enough interest from airlines to launch and the model was shelved in 1988 in favor of the Boeing 777 .

Boeing 767 - Wikipedia

(CNN) -- Boeing says it has notified all 767 aircraft operators about cracks found on two American Airlines 767-300 planes, and by mid-July will recommend more frequent maintenance checks.
