news: Caterpillar sued over C13/C15 engine problems

RE:2006 CAT C15 Engine Posted: Tue Oct 24, 2006 6:17:16 PM : We found out the hard way, the C-15 engine has to use CAT fuel filters. The other filters starve the engine. I know it sounds bizarre, but, thats what we had to do to get rid of a horrible vibration. It only took eight times and Lemon Law to get the problem fixed. Good Luck

2006 CAT C15 Engine - Problem Solver Message Board ...

Caterpillar C15 ACERT Problems. If tuned correctly, the C15 ACERT can be a strong, reliable engine. There are some problems with earlier models however, which we'll go over. At the beginning of production a common issue was broken rocker studs. This shouldn't be a problem anymore, because by now most ACERTs have updated studs.

The Primary Differences Between Caterpillar 3406E, C15 ...
