The web page is pretty simple where you can either publish books, download eBooks based on authors/categories or share links for free. You also have the option to donate, download the iBook app and visit the educational links.

### Chemical Engineers Handbook Perry

Perry's has improved since the 6th edition of the mid-80's. The eighth edition does what it is supposed to do: provide a broad coverage of our sprawling profession. I like it that it provides comparison tables for equipment allowing an engineer to identify which unit operation works best for a given material or operating conditions.
