Teen Finance and Money Skills - Teen Help

Begin by figuring out your income: total up all of your funding from student loans and grants, part-time earnings, and financial support from home. Next, budget for "hard" or fixed expenses that you can't negotiate—things like tuition, fees, and room and board. Check whether your university insists that students live on campus.

Going to college? Here's you financial checklist!

Most changes—emotional, physical, and financial—can be anticipated and, therefore, prepared for. Some, however, may pop-up in seemingly random places. For example, a divorce absolutely can affect your college-bound teen's eligibility for financial aid. Whether your split works in your child's favor or not depends on several factors, such as the school your child chooses, the type of financial aid forms the school requires, and, in some cases, home equity.
