Creating Guitar Chords A few years back I had an adult student, far from a beginner mind you, but he was struggling with chords and some basic chord theory. He had this book called "10,000 chord shapes" (I swear that's a real book!) and he was convinced that he had to learn all of those shapes to become the guitarist he wanted to be. Not only was the concept of a book containing 10,000 chord
