The book offers everyone studying and interested in the environment, an essential understanding of natural environments and the way they function. It covers the entire breadth of the environmental sciences, providing

### Basics of Environmental Science - hcmuaf.edu.vn

I took AP environmental science about a year ago and this book helped me get a five! AP Environmental Science is (in my opinion) the hardest AP sciences because unlike chemistry, biology, or physics, environmental science encompasses everything that isn't chemistry, biology, or physics. That's a lot of material to learn over a short period of time!
