The Americas
Africans Reach the
Americas

Europeans made few inroads into Africa, though, until the 1800s, due to the strong African states they encountered, tropical diseases, and a relative lack of interest. Europeans instead grew rich trading gold, gum, ivory, and slaves with coastal merchants.

Europeans began to arrive in the African continent as far back as the early 15th century. For instance, in an African country like Ghana, which was formerly called the Gold Coast, the first Europeans to set foot in the country were the Portuguese. According to records, the Portuguese came to the Gold Coast in the year 1471.
