Literacy is about your reading comprehension of the piece as a whole and broken up into chapters, paragraphs, sentences and words. It's about your confidence and understanding. The same goes for financial literacy. Financial literacy marks your ability, knowledge and confidence to make informed choices about our money.

Your financial literacy may be the problem - Marble Financial

Financial literacy isn't going to help fix stagnating wages or get the federal minimum wage, which has remained unchanged for nearly five years now, to keep up with inflation. And this is why the attempt by McDonald's to help their minimum wage-earning workers create a budget last summer failed so miserably and was so laughably crazy.
