Her books include The Pursuit of Happiness: An Economy of Well-Being and Happiness around the World: The Paradox of Happy Peasants and Miserable Millionaires. "Carol Graham . . . makes a convincing case that perceptions of well-being, including factors like stress and a sense of the value of one's life, have become far more negative for poorer ...

Happiness for All? | Princeton University Press

The pursuit of happiness is a defining theme of the modern era. But what if people aren't very good at it? This and related questions are explored in this book, the first comprehensive philosophical treatment of happiness in the contemporary psychological sense. In these pages, Dan Haybron argues that people are probably less effective at judging, and promoting, their own welfare than common ...
