Chain Saw Manuals: Homelite chain saw manuals

If you are looking for a cheap older Homelite to cut firewood buy a XL-12/Super XI. They are 3.5 cubic inches and will put a 330 to shame. My favorite Homelite is a Super EZ. It is only 2.4 or 2.6 cubic inches. In my opinion with a 16" bar it will still run circles around a 330.

Chainsaws - Homelite

Hi, I've got two older homelite saws. I'm trying to find out what year they were made. The first is a 330, UT10608, Serial # 6C2170148. The second is a Super EZ Automatic UT10580A, Serial # 2C2730004. If anyone knows when they were made, I'd appreciate it. Thanks.
