In one of the promotional event posters for Initial D Arcade Stage 8 Infinity, Takumi was racing against a GT86 with the same license plate. This implies that Takumi was racing against his future self. The Toyota GT86 is the only car of the 2010s years to have a prominent role in Initial D (except in the manga).

Drifting is a driving technique where the driver intentionally oversteers, with loss of traction, while maintaining control and driving the car through the entirety of a corner. The technique causes the rear slip angle to exceed the front slip angle to such an extent that often the front wheels are pointing in the opposite direction to the turn (e.g. car is turning
