Mercy is a novel that rings Jodi Picoult: a novel about love, about death, about the grey area between what is right and what is wrong. I generally like Jodi Picoult's books, but this one fell short for me. The superfluous history of the clan system would have been apropos in a book about Scotland, but it served little purpose in "Mercy." It was never made clear why Jamie came to his uncle's town to kill Maggie (did he expect the clan leader to back a fellow clansman?).
