Linux Device Drivers 4th Edition

I've been searching, and the book "came" out, but I can't find it. For example, on the amazing amazon the third edition I can buy, and I can find the fourth edition which is not for sale, or is for sale for a ludicrous cost.. Jessica Mckellar is the author, and after some Googling I found her github with the Linux Device Drivers 4 source code!, and after reading through some of the Git commits ...

What happened to Linux Device Drivers 4th Edition? : linux

Having already helped two generations of programmers explore Linux and write devices, the fourth edition of this classic book delves into tty, USB, and HCI devices such as keyboards, in addition to basic character devices. Linux Device Drivers 4th edition ([]) - Douban

Linux Device Drivers, already a classic in its second edition, reveals information that heretofore has been shared by word of mouth or in cryptic source code comments, on how to write drivers for a wide range of devices. Version 2.4 of the Linux kernel includes significant changes to device drivers, simplifying many activities, but providing ...
