Wales, Scotland, and Ireland, to the French and Anglo-Norman world of the Continent, to the Viking and Scandinavian world of the North Sea, and to the world of medieval Christendom. The result is a detailed portrait of the English Middle Ages and their key historical events, personages, and cultural contexts.

Medieval England: An Encyclopedia (Routledge Encyclopedias ...

England in the Middle Ages concerns the history of England during the medieval period, from the end of the 5th century through to the start of the Early Modern period in 1485. When England emerged from the collapse of the Roman Empire, the economy was in tatters and many of the towns abandoned. After several centuries of Germanic immigration, new identities and cultures began to emerge, developing into kingdoms that competed for power.

The lives of women in the Middle Ages were determined by the Church and the aristocracy. The medieval Church provided people with the 'big picture' of the meaning of life and one's place in it; the aristocracy ensured that everyone stayed in their respective places through the feudal system of government which divided society into three classes: clergy, nobility, and serfs.

The Medieval, Catholic Roots of the Elizabethan World The Elizabethan Era took place in England during the reign of Queen Elizabeth I, from 1558 to 1603. Often considered a golden age in English history, this period marked the nation's belated step into the Renaissance, a cultural movement that was already flourishing in other parts of Europe.
