This time we choose the Mr. Coffee CJX21CP, mainly because we liked the looks of it, plus the price. It also has a feature for strong coffee which is a must in the morning. The first time we used it the coffee came out weak. We had to run the coffee through a second time to get it nearly strong enough.

I have owned Mr. Coffee 12 cup since it was invented. In the last 20 years or so I've broken about 5 carafes. They are fragile, break easily but they are so much better than the competition for taste, keeping coffee at the correct temperature and ability to get a new carafe when you are as clumsy as I am ...
