I would suggest "One Little Boy" as a work to be read and discussed with a professional who is open-minded and looks beyond the child's diagnosis of depression, as well as the psychological "flavor" of the era in which it was written.

That unruly little boy!
“Give that back! ” I
heard one cry, I then
saw tears roll down her
face. He teased her
with the stolen toy, I
was now angry with
that one little boy. The
teacher came to save
the day, She returned
the toy to the girl. He
sat back down against
the fence, his face coy,
And I would always
remember that one
little boy.
