Principles Of Nlp The Only
The most important thing regarding maps is that, regardless of how close and dear they are to us, not even one of them is 100% true. Maps are only a medium (not the goal itself) that we can change if we want to. NLP provides us with the tools that we can use to change less useful maps for more useful ones in a certain context.

Principles of NLP: The Only Introduction Youll Ever Need Paperback – Import, February 5, 1996 by O'Connor, Joseph & McDermott, Ian (Author)

Principles of NLP: The Only Introduction Youll Ever Need ...
The underlying principles of NLP. The underlying principles of NLP. NLP is based on a strong belief in the possibility of change. You will discover that: People are not their behaviour. When you accept the person, you are free to change behaviour. People already possess all the resources they need to succeed and achieve their desired outcomes - they just need to learn how to unlock them.

Principles of NLP
NLP Principle One - Achieving Outcomes. The importance of knowing your outcome cannot be stressed enough. Many people do not have conscious outcomes. Others have no idea what they want but know what they don't want. Their life is based on moving away from those things they don't want.
