One thing to keep in mind, the idea of being able to have the extra control of the tranie in an auto really doesn't apply to Subaru's these days. The newer Subie auto's (Both EAT's and CVT's) include a Sport shift function where you can control like a manual. While it may no be as fast as a good person with a stick, the effect is the same.

Manual vs. automatic transmission | Subaru Outback Forums

If you want to buy an automatic then buy the 6 cylinder Subaru. The only reason to buy the turbocharged engine is if you get it with the manual transmission. You want to keep the revs up on these turbo engines and the best way to do that is with a manual transmission.
