The Blackwell Companion to Natural Theology | Wiley

'The Blackwell Companion to Natural Theology' is a tour-de-force of analytic philosophy. If the world is just, it will shape the theistic side of the debate over the existence of God for at least a decade. In my opinion, it has no equal among atheistic literature – yet.

The Blackwell Companion to Natural Theology by William ...

The Blackwell Companion to Natural Theology is now the third book that I have partnered with Bill Craig to either co-author (e.g., Philosophical Foundations for a Christian Worldview) or co-edit (e.g., Naturalism). In this volume, we sought to rally and mobilize some of the foremost influencers in contemporary analytic natural theology in order to give them the opportunity to develop their ...

The Blackwell Companion to Natural Theology

If there is a single best volume of rigorous arguments for the existence of a supernatural being from natural theology, The Blackwell Companion to Natural Theology is currently it. The editors, William Lane Craig and J. P. Moreland, arranged the work with a distinctly positive apologetic focus. One will find little discussion of the nature of this divine being, explanation, or cause invoked ...
