to  
Joinery by Gary  
Rogowski is a lovely  
volume on several of  
the techniques that  
have been discussed  
both in class and in the  
text. It illustrates them  
more clearly with  
photos of the process,  
than either of the latter  
sources and helps me  
understand better what  
the instructor has in  
mind when he makes  
suggestions for my  
projects.
