In the genesis of the state, from the subjection of a peasant folk by a tribe of herdsmen or by sea nomads, six stages may be distinguished. In the following discussion it should not be assumed that the actual historical development must, in each particular case, climb the entire scale step by step.

The Six Stages of the Creation of the State | Mises Institute

Napoleon Bonaparte was a key figure in the development of the nation-state. Amid the chaos of the French Revolution in the late eighteenth century, most remaining medieval and feudal laws were overturned and a truly national law code was established. Similarly, a national military was created.

Nations and States: The Rise of the Nation-State | SparkNotes

Steps Taken for Creation of New State. The steps for creating a new state are as follows: A bill on a new state has to be recommended by the President. In India it is usually the Cabinet which requests the President to do that. Article 3 makes it clear that the Parliament is the sole authority on making a decision on a new state.

America's first constitution, the Articles of Confederation, was ratified in 1781, a time when the nation was a loose confederation of states, each operating like independent countries. The...

U.S. Constitution: Articles, Ratifying & Summary - HISTORY

Although France after the French Revolution (1787-99) is often cited as the first nation-state, some scholars consider the establishment of the English Commonwealth in 1649 as the earliest instance of nation-state creation. Since the late 18th century the nation-state has gradually become the dominant vehicle of rule over geographic territories, replacing polities that were governed through other principles of legitimacy.

nation-state | Definition, Characteristics, & Facts ...

Unlike primary state formation, early state formation does not require the creation of the first state in that cultural context or development autonomously, independently from state development nearby. Early state formation causation can thus include borrowing, imposition, and other forms of interaction with already existing states.

Statehood in the early 21st century remains as much a central problem now as it was in 1979 when the first edition of The Creation of States in International Law was published.

The Creation of States in International Law - James ...

However, others look for the roots of nation-states in ancient times. Most commonly, the idea of a nation-state was and is associated with the rise of the modern system of states, often called the “Westphalian system” in reference to the Treaty of Westphalia (1648).

Introduction to Nation-States | Western Civilization

The classical criteria for statehood (the so-called Montevideo criteria) were essentially based on the principle of effectiveness. The proposition that statehood is a question of fact derives strong support from the equation of effectiveness with statehood. It is necessary to distinguish two possible positions: that there cannot a priori be any criteria for statehood independent of ...

The creation of the US Constitution begins with the Articles of Confederation, drafted during the Revolutionary War. Their ratification in 1781 formed a weak federal authority that operated as a collective of individual, highly autonomous states. However, within a few short years the limitations of the Articles of Confederation became evident.
