history, from “punishment” on man from the physical environment, perceived punishments from religious gods, to punishment imposed by society. Punishment imposed by societies has a long (and often times sordid) past from banishment and fines in ancient Greece, torturous physical punishment during the Inquisition, the implementation of the death penalty in 17. th

The History of Punishment: What Works for State Crime?

Punishment is the imposition of an undesirable or unpleasant outcome upon a group or individual, meted out by an authority—in contexts ranging from child discipline to criminal law—as a response and deterrent to a particular action or behavior that is deemed undesirable or unacceptable. The reasoning may be to condition a child to avoid self-endangerment, to impose social conformity (in ...
