The Hungry Ocean A Swordboat

The Hungry Ocean, Greenlaw's account of a monthlong swordfishing trip over 1,000 nautical miles out to sea, tells the story of what happens when things go right -- proving, in the process, that every successful voyage is a study in narrowly averted disaster. There is the weather, the constant danger of mechanical failure, the perils of controlling five sleep-, women-, and booze-deprived young fishermen in close quarters, not to mention the threat of a bad fishing run: "If we don't catch fish ...
