### The Infernal Mark Doten

Mark Doten's masterful prose couldn't save this bizarre post-postmodern mess. A deliberate mess, but a mess. I was excited by the premise(s) of this novel, and it seems to have so much promise. Unfortunately, content was sacrificed for style. Does the fact that the author is a character in his own book say enough about his attempt at "meta-ness?"

### The Infernal by Mark Doten

"Mark Doten is a tremendous and protean talent. The Infernal—monstrous and resplendent—is an essential novel of the war on terror, which Doten renders plainly as the cacophonous self-made Hell that it plainly is. His demonic vision reveals crucial and damning truths." / Justin Taylor / author of The Gospel of Anarchy

### Praise for The Infernal - Mark Doten

"Mark Doten has fashioned a thrilling, idiosyncratic attack on the mytho-historical madness of our time. The Infernal is a brave, crazy, magnetic debut." —Sam Lipsyte "The Infernal is insane. Mark Doten turns his war criminals into the lecherous cartoons they might really be, as if the Warren Report were a drugged-out musical.

Facebook's Mark Zuckerberg is in the book, as is Wikipedia's Jimmy Wales, and Jack Nicholson circa Chinatown. And of course there's the "author" Mark Doten himself, whom in The Infernal (and outside it) is an editor at a New York City publishing house. I page through the marked-up galley from the airplane. What is happening?

### Mark Doten

The time is the not-so-distant future, when the US's spiraling social freedoms have finally called down a reaction, an Iranian-style repressive "monotheocracy" calling itself the Republic of Gilead—a Bible-thumping, racist, capital-punishing, and misogynistic rule that would do away with pleasure altogether were it not for one thing: that the Gileadan women, pure and true (as opposed to all ...
