The Other Half Of My

Similar to Brendan Buckley's Universe and Everything in It and The Blossoming Universe of Violet Diamond, The Other Half of My Heart is the story of an adolescent struggling with her identity. Minni King is fairer-skinned twin sister of Keira King and is deeply concerned with how she is perceived by others, and fears that she isn't "black enough."

My Other Half - Idioms by The Free Dictionary

The attraction you're feeling is natural because they are the other half of your soul. Yes, it's easy to fall for your twin flame. They are always there for you. They make you feel loved and special. You can tell everything to them. You don't want to lose them.

Your Twin Flame - 10 Signs You've Met The Other Half Of ...

To My Other Half, You hear it every day of how much I love you, but today I'm going to tell you why. You probably think I'm required to love you at this point because we've been together for so long, but that's not (completely) true. After living together and still wanting to be with you every day, I think we have something special.
