be a great actor who is able to do this 100% believably. There are many schools of thought on acting technique and probably as many processes as there are individual actors but if you neither listen nor react you have nothing.

What are the golden rules of acting? - Quora

Acting is an activity in which a story is told by means of its enactment by an actor or actress who adopts a character—in theatre, television, film, radio, or any other medium that makes use of the mimetic mode. Acting involves a broad range of skills, including a well-developed imagination, emotional facility, physical expressivity, vocal projection, clarity of speech, and the ability to interpret drama. Acting also demands an ability to employ dialects, accents, improvisation ...
