The Set Up Medusa Project

The Set Up is book 1 in the Medusa Project series. I thought I'd read this book again as I wanted to finish the series and couldn't remember everything. I felt sorry for Nico and was hoping he'd end up with the person he likes. I was hooked all over again and liked the idea of having powers and seeing how the four adjusted to them.

The Set Up (Medusa Project, #1) by Sophie McKenzie

The Medusa project : the set-up Item Preview remove-circle ... Fourteen years ago, scientist William Fox implanted four babies with the Medusa gene - a gene for psychic abilities. But Fox died and the babies were hidden away for years. Now the children are teenagers ...

I just read The Medusa Project: The Set-Up. I thoroughly enjoyed the book and while it was easy to see how a lot of the points were going to resolve before they did, I still enjoyed the book. As an adult, a parent and a teacher I especially liked the beginning of the book where the main character, ...
