More and more each day the governments of the world leak bits and pieces of UFO information to the public. They have a trickle down theory in hopes of slowly getting citizens use to the idea that we are not alone in universe and never have been. The truth is being leaked drop by drop until one day we look around and find ourselves neck high in it.

Pinchbeck argues that UFOs and their occupants may be material thought forms that popped into existence in the physical world when a sufficient number of people believed in them (somewhat like Tinkerbell in the Peter Pan story). The UFOs and their occupants are both "imaginal" (in that they are created by believers) and real, in that they possess an independent existence.
