manufacturer of cold packaged beverage vending machines, who said, "A commercial-grade machine may require one or two service calls per year, at an approximate cost of \$100-\$150 each, depending upon who provides the service and where the machine is located.

How to Start a Vending Machine Business in 5 Steps

Read Free Vending Machine Fundamentals

We've been selling vending machines online since the 90's (That's right, same ownership since the 90's!) and we only work with the best vending machines on the market. Prior to starting CandyMachines.com and becoming a leading online distributor of vending machines, we had our very own vending route that extended
