Veto Players: How Political Institutions Work. Veto Players: How Political Institutions Work. Political scientists have long classified systems of government as parliamentary or presidential, two-party or multiparty, and so on. But such distinctions often fail to provide useful insights. For example, how are we to compare the United States, a presidential bicameral regime with two weak parties, to Denmark, a parliamentary unicameral regime with many strong parties?

Veto Players | Princeton University Press

Veto Players: How Political Institutions Work is a book written by political science professor George Tsebelis in 2002. It is a game theory analysis of political behavior. In this work Tsebelis uses the concept of the veto player as a tool for analysing the outcomes of political systems. His primary focus is on legislative behaviour and outcomes.

Veto Players - Wikipedia

Political Stability and Veto Players Every government seeks stability, and without institutions, a democratic political system simply cannot work. Systems need rules to be able to select political actors in the nomination process.
