and injector rebuilt but I can not get the throttle/control lever to run the engine properly. I can not even start the engine with the cold start.

### **Old Marine Engine: Manual for Volvo penta MD2 15,5 year 1965**

The engine was supplied by a Volvo workshop and cost £2441. I could not have bought the bits to recondition the engine myself at this price and these chaps really know what they are doing. They charged £379 for fitting which took them one day. The engine is a beauty and purred all the way back across the north sea.
