Youth culture in modern Britain, c.1920-c.1970: from ivory ...

For a youth culture to exist in any society there needs to be a dynamic. Susan Brigden has suggested that there was a distinct youth culture in early modern England, in the form of young trade apprentices reacting against the Catholic Church. 1 Another imaginative approach to the subject sees the apprentices of seventeenth-century London — in service from their early teens until their mid ...

Pop music and youth culture are known to be among the great British exports of the late twentieth century. Be it teddy boys/girls or The Beatles, mods or the Sex Pistols, football hooligans or the Spice Girls, the seemingly rapid turnover of styles and sounds that stretched from at least the 1950s give sense to a very real period of cultural vibrancy.

British Youth Cultures and the Wider World | Britain and ...

Mod is a subculture that began in London and spread throughout Great Britain and elsewhere, eventually influencing fashions and trends in other countries, and continues today on a smaller scale. Focused on music and fashion, the subculture has its roots in a small group of stylish London-based young men in the late 1950s who were termed modernists because they listened to modern jazz.

Mod (subculture) - Wikipedia

This book traces the history of youth culture from its origins among the student communities of inter-war Britain to the more familiar world of youth communities and pop culture. Grounded in extensive original research, it explores the individuals, institutions and ideas that have shaped youth culture over much of the twentieth century.
